Bottle Collection Instructions

*"Volunteers don't get paid, not because they're worthless, but because they're priceless."
Sherry Anderson*

Thank you for volunteering in our bottle collection fund raising program. Here is some information and suggestions when you are collecting bottles.

- Collection bags and gloves are located in the Club locker at the courts.
- Fill bags completely. If you find half bags in the shed please combine them.
- Take out anything that is not a plastic drink bottle with a recycling code of "1".
- Secure all bags properly.
- Volunteered collection days run from Sunday thru to Saturday.
- Please try and inspect collection bins every second day and every day from January to March.
- Let an executive member know when supplies are low.

There are a total of 8 collection bins and one storage area:

Four are by the garbage collection areas:

1. by site #27,
2. by site #72,
3. by site #114, and
4. back of the recreational building.

The other four are located at these areas:

5. Tennis courts,
6. Pickleball courts,
7. Pool area, and
8. Ballroom

The storage shed is located behind the dog park and garbage collection between site #72 and site #74.

To obtain a copy of these instructions, visit our web site.
