February 1, 2024

In effective beginning February 6, 2024. Subject to change.

Silveridge Pickleball Court Schedule 2023-2024 Season

Program Definitions:

Arrange Own Game (AOG): open to Club members. One member uses Silveridge Pickleball SignUpGenius (SUG) to book a court to play with other members – maximum of 8 players per court. If a member doesn't book a court on SUG, they must give up the court to someone who has booked the court.

Ball Machine: for Club members to book and use the ball machine to practice and develop skills. Visit SUG to book the pickleball machine for practice and skill enhancement. Up to 6 people can use the ball machine during one booking time. A pickleball ball machine coordinator will be present to assist with set up and operation. Please do not infringe on another's practice time unless invited to participate by the booking member.

Clinics: are scheduled periodically for Club members during the season. Visit SUG to register. Sign-up will be available 2 weeks prior. The clinics are designed to assist players in advancing their pickleball skills. You are strongly encouraged to attend the entire session. Typically, the clinic instructors are high level Club members who happily volunteer their time. If no clinics are scheduled, then the designated court(s) will be used for Open Play.

Club All Play: open to Club members. The format is drop-in; no registration on SUG is required. Play is organized by using a paddle rack system. It is recommended you routinely change partners and play someone new - mix up and have fun.

Drills/Practice: for Club members to practice drills. Visit SUG to sign-up for a specific time slot to practice your game skills. Up to 4 people on one court. Drills are incredibly important and help players commit the proper pickleball mechanics to muscle memory. Rather than playing a game, players can focus on fundamentals such as footwork, positioning, shot selection (ground strokes, dinks, lobs, smashes, and volleys) and execution.

Event Night: held on Wednesday evenings for same-skilled groups to organize whatever type of event they wish (ie – King of the Court, drills, round robin, or just general fun events). The Round Robin Captains will decide, with their group members, as to what type of event they wish to hold. A schedule assigning each Group a Wednesday evening will be posted. Visit SUG to register.

Friday Fun Night: open to Club members of all skill levels. Visit SUG to register. Participants rotate each game to play someone new via the paddle rack system. Mix up and have fun!

King/Queen of the Court: open to Club members. Visit SUG to register. Winners of each game advance towards Court #1 and change partners for the next game; the losers of each game drop down one court and change partners for the next game. More specifics will be provided at the start of the event. This program will be scheduled on Sunday afternoons. Come take the challenge! If no King/Queen of the Court events are scheduled, then the designated court(s) will be used for Open Play.

Ladies: open to women members of all skill levels. Visit SUG to register. The round robin or paddle rack format will be followed.

Mixed Doubles: open to Club members of all skill levels. Visit SUG to register. Teams consist of one male and one female. You partner with the same person all evening but play different couples each game. The round robin or paddle rack format will be followed.

Open Play: is a time when park residents who are not Silveridge Pickleball Club members, as well as their guests, may use the pickleball courts. Club members are also welcome to play during Open Play sessions. The format is drop-in; no registration on SUG is required. Courts are available on a first come – first served basis.

Partner Play: open to Club members of all skill levels. Visit SUG to register as a single player. Each player will be assigned a partner for the duration of the event. The round robin or paddle rack format will be followed.

Round Robin: open to Club members, who compete against players who are similarly skilled. Visit SUG to register. Round robin play or paddle rack format will be followed. For round robin format, players are assigned a number and play with and against a variety of other players.

Thursday Evening: open to Club members. A range of skill levels are combined for play. Visit SUG to register. The round robin format will be followed, or players may select a different format of play.

Unused Courts: in the event one or more courts are not being used for a scheduled Club event or session, Club members are permitted to play on the unused court(s) on a first come – first served basis.
