Silveridge Pickleball Court Schedule 2026-2027 Season

How We Play Definitions:

4 Pack Pickleball: A team event for our Club members. The team of 4 will consist of 2 males and 2 females. MLP format will be played. Sign up on Silveridge Pickleball SignUpGenius (SUG) as an individual, teams will be randomly selected the day of play. More information is on SUG and the “4 Pack Pickleball Play” page on our website: silveridgepickleball.com.

Arrange Own Game (AOG): Open to all Club members. One member uses SUG to book a court to play with other members – a maximum of 8 players per court. If a member doesn't book the court, they must give up the court to someone who has booked the court.

Ball Machine: For Club members to book and use the ball machine to practice and skill enhancement. Visit SUG to book the pickleball machine. Up to 6 people can use the ball machine during one booking time. A pickleball ball machine coordinator will be present to assist with set up and operation of the ball machine. Please do not infringe on another's practice time unless invited to participate by the booking member.

Ball Machine with a Coach: For members to book and use the ball machine with supervision of a coach to work on specific skills. Visit SUG to sign up for a 1-hour session.

Club All Play: Open to Club members of all skills levels. The format is drop-in; no registration on SUG is required. Play is organized by using the paddle rack system. It is recommended you routinely change partners and play someone new - mix up and have fun.

Coached Drills: These sessions are hosted by high level player coaches from within our club. The entire session will focus on practice of specific drills designed to enhance a player's ability to consistently perform specified actions at an improved level. Visit SUG to sign up.

Group 2.0: Skills development sessions are hosted by mentor/coaches who will guide new players through a curriculum focused on skill development and general knowledge and rules of the game. Active play may be limited to the latter part of the session. Group 2.0 players will receive invites to sign-up on SUG.

Ladies: Open to female Club members of all levels on Monday evenings. Level specific round robins for women members are on Tuesday and Friday as per the court schedule. The round robin or paddle rack format will be followed. Visit SUG to sign-up.

Mentor Play: Sessions will be hosted by a high-level player from within our club and will focus primarily on the mental side of pickleball. Participants will receive active and timely feedback during actual game play on positioning, strategy, placement, pace, communication and footwork. The latter part of the session may be recorded to allow the participants to view their playing style with their mentor. Visit SUG to sign-up.

All Combined Group Play will occur during the first week of each month. Visit SUG to sign-up.

Unused Courts: In the event one or more courts are not being used for a scheduled Club event or session, Club members are permitted to play on the unused court(s) on a first come - first served basis.
